“EXHIBIT A”

I. Definitions

1. "You" or "Yours" means Cargill Inc., and includes any parent, holding company, sister corporation, subsidiary, partnership, joint venture, association, owned by or which Cargill has an interest.

2. "Your poultry growing operations" means any poultry growing facility where birds owned by you are being fed, produced or grown.

3. The period of inquiry shall be from the date you commenced any poultry growing operations located within the boundaries of the IRW to the date of your testimony unless stated otherwise.

4. As used herein Your poultry waste means poultry excrement, bedding material, feed wastes and any other waste associated with the confinement of poultry in a grow house which is removed periodically from the grow house and used or disposed of elsewhere, also commonly referred to by the Poultry Integrator Defendants as poultry litter.

II. Areas of Inquiry:

1. Your corporate history, businesses, and organizational structure, including without limitation:

- a. identification of officers, directors and shareholders of Cargill, its divisions, and subsidiaries past and present;
- b. Cargill's relationship with any parent, holding company or subsidiary;
- c. Cargill's relationship in or to any LLC, limited partnership, joint venture, public company or association, including without limitation the events and details of the transaction of Cargill creating a newly formed LLC called Cargill Turkey Production, LLC to grow turkeys;
- d. Identification of any other areas of corporate business or operation conducted by you in addition to your growing, processing and marketing

of poultry and poultry products, including without limitation fertilizer and crop nutrient interests.

- e. Your relationship with the following entities: Shady Brook Farms; Plantation Farms Inc; Sunny Fresh Foods Inc.; Rocco Farms, Inc.; Southern Poultry Farms, Inc.; The Mosaic Company.
- f. Cargill's fertilizer businesses previously owned and operated and merged with IMC Global as Cargill's contribution resulting in the new company called The Mosaic Company.
- g. Notices from governmental agencies alleging that Cargill, its subsidiaries, agents or employees were/are a potential responsible party at sites under CERCLA or other environmental cleanup laws;
- h. Identification of any cleanup sites where costs were incurred by (or alleged to be due from) CTP, its subsidiaries, agents or employees for environmental harm from the constituents of poultry waste such as Nitrogen, Phosphorus (Phosphorous), Potassium including compounds thereof, and/or any pathogens and bacteria.

2. The facts, reason and basis supporting or relied on by you for responses made to the States Requests for Admissions served on or about April 20, 2007.

3. The Contracts, its terms and conditions, between you and poultry growers located in the Illinois River Watershed ("IRW"), past and present, including the contracts themselves and any attachments, amendments or changes to the contracts considered, proposed or adopted and whether the terms and conditions, of your contracts with poultry growers located outside of the IRW, past and present, were substantially different than those utilized for growers within the IRW

4. The relationship between you and persons / entities owning or operating poultry growing operations under contract with you.

5. The management, supervision, inspection and monitoring by you of persons / entities owning or operating poultry growing operations under contract with you.

6. The number, size and location of poultry houses / barns and the number of and kind of birds raised in the IRW each year by you or poultry growers under contract with you, including without limitation:

- a. knowledge of all documents produced by Cargill in this case as being responsive to the State's inquiry about the number and kind of birds raised/grown by Cargill and/or its contract growers yearly or annually within the IRW past and present, including without limitation CARTP 123574-123734; and
- b. knowledge and explanation of Cargill's investigation, examination of records, determination and calculation as to the total number of birds it produced annually (fiscal year) in the IRW as required by the courts Opinion and Order December 6, 2007, Docket #1409.

7. The formulas, ratios, "rules of thumb" utilized by Cargill and others in the poultry industry to convert the amount of pounds of poultry meat produced into the number of birds raised and slaughtered for such meat.

8. The amount of feed and new bedding litter used at each and all of your poultry growing operations within the IRW on an annual basis (or 12 month period).

9. The identity of the composition and constituents of poultry waste generally, and of poultry waste generated at your poultry growing operations within the IRW specifically, past and present, as well as any studies, analyses, testing, investigations or research of the composition or constituents of poultry waste including without limitation identification of any difference between turkey and chicken excrement.

10. The amount of poultry waste generated during the lifetime of an individual bird or flock of birds, specified by bird types and number, owned by you, past and present, within the IRW.

11. The amount of poultry waste generated by each and all of your poultry growing operations within the IRW on an annual basis (or 12 month period) and including without limitation knowledge of all documents produced by Cargill in this case as being responsive to the State's inquiry of the same including without limitation knowledge and explanation of Cargill's documents identified as CARTP 123736-123831.

12. The ingredients and composition of feed formulas, past and present, used at your poultry growing operations within the IRW.

13. The general geographical location for the source of the ingredients used in the feed, additives, amendments and medications provided to your birds within the IRW.

14. The additives or supplements, including without limitation antibiotics, hormones, arsenic compounds, contained in feed formulas, past and present, used at your poultry growing operations within the IRW.

15. The identity of any chemical, compound, additive or amendment added to or mixed into the litter in the growing barns, before, during or after the birds are in the barns and the purpose, effect, expected or known result of adding or mixing the same into the litter, including the source of knowledge of the effects of its use .

16. Industry practice and your contract poultry growers practice regarding handling, storage, and spreading on land of poultry waste.
